

## **SAFETY AND HEALTH POLICY**

*FCC Construcción is an international reference company in the provision of solutions aimed at the well-being of citizens, the progress of society and sustainable development.*

*The actions of FCC Construcción are aimed at safeguarding the safety and health of workers, for which they establish the necessary conditions for:*

- ✓ *Compliance with Current Legislation and internal regulations, **executing the works with a high level of security.***
- ✓ ***Integrate prevention in making decisions** from all hierarchical levels of the company.*
- ✓ ***Plan, organize and implement** an adequate follow-up for Prevention, which eliminates hazards and reduces risk situations in the works, as well as planning actions for the continuous improvement of the safety and health of workers.*
- ✓ ***To imply to all interested parties** (own staff, clients and subcontractors) in preventive management.*
- ✓ ***Promote healthy work environments, as well as healthy habits** of workers both in the workplace and outside the workplace.*
- ✓ *Guarantee and facilitate the **consultation and participation of the Workers and their Representatives.***
- ✓ *That the **Occupational Health and Safety Management System is integrated** into the Management and Sustainability System of FCC Construcción*

  
Carlos Loscertales Fayren
